

台灣老式宅邸的生命敘事，圈圍在金屬條勾勒的鐵窗花之中，那多變獨特的圖騰，除了功能考量，亦沿襲家族根源的光景。

LING 櫺宛如一名搭乘時光列車的詩人，遊走於懷舊與現代，記下兩種美學邂逅的悸動與火花。取材自鐵窗花的金屬框，恰到好處的留白，一點一滴收藏空間溫度與記憶；異材質燈罩的融合，流露典雅氣息，使用上不僅通透、創造雙重光氛質感，也能局部轉動，為日常蔓延趣味新意。

With a harmonious mingle of minimalism, let the LING shine through. Inspired by the beauty of patterned metal fences built around balconies and windows, LING is a nostalgic well-orchestrated interlude. With an embedded LED light source the LING's adjustable pendant gracefully creates the perfect ever-changing lighting configuration to suit your various needs. With an airy grace, the LING provides ample lighting yet remains clean and seamless.
